## ③全世代・職域で防災リーダー育成プログラムを展開！

This section features three main categories of disaster education activities, each with a title and a corresponding photo collage:

- 小中高校生の防災リーダー ジュニア防災リーダークラブ** (Junior Disaster Leader Club for elementary, middle, and high school students): A photo collage showing a group of young people standing together outdoors.
- 大学生の防災リーダー 防災リーダークラブ** (Disaster Leader Club for university students): A photo collage showing students in yellow safety vests participating in a practical activity, possibly related to disaster relief or safety drills.
- 地域・学校・企業・福祉の防災リーダー 防災エドゥケーター** (Disaster Educators for community, schools, businesses, and welfare): A photo collage showing various individuals, including one in a wheelchair, engaged in educational or training activities.
