Dear Sir,

**Ref.: Pre-Games Training at Ehime**

With the reference above, I am sorry to inform you that we are unable to send our national team to Ehime for the pre Olympics Games training. This is due to the many travel restrictions imposed and also the uncertainty of the situation caused by the pandemic globally.

We were certainly looking forward to this training session but I have to mention that this decision was made after much deliberation and was made with a heavy heart. However, we would certainly want to have such similar programme once another opportunity arises.

However, I am pleased to inform you that our President, Tan Sri Norza has agreed to visit Ehime after the Games. He will be going to Ehime with the Chef de Mission of the Malaysia contingent, our coaches and players. We shall inform you of his travel itinerary once it is confirmed.

On behalf of my team, I wish you good health and always remain to stay safe. Looking forward to hearing from you again.

Thank you.

Regards,
