

地域状況による
路線分類図

The map illustrates the road network of Matsuyama City and its surrounding areas, categorized by road function. The legend in the bottom right corner provides the following information:

- 一松山市立地適正化計画一**
 - 都市機能誘導区域 (H29.3設定): Indicated by a red outline.
 - 居住誘導区域 (H31.3予定): Indicated by a blue outline.
- 一運用見直し基準による路線分類一**
 - 幹線: Red solid line.
 - 準幹線: Red dashed line.
 - 支線 (バス): Yellow solid line.
 - 支線 (コミュニティ交通): Green solid line.

The map shows a dense network of roads in the city center, with major roads like the Toei Expressway (orange) and National Route 1 (green) connecting the city to the surrounding areas. The map also shows various local roads and ferry routes. The map is divided into several zones, with different colors indicating different levels of urban development and road usage.
